Ammo for Out of State Shooters

Stockton Trap and Skeet Club (STSC) will do their best to have ammunition available. Please understand that if you are driving up or are a local shooter please do not pre-order ammunition. We are trying to hold our inventory for those out of state who are flying in and do not have means to carry or bring their ammunition to the shoot.

Quantities will be limited to 4 boxes per event you are registered for.

Practice ammunition most likely will be available for purchase at the club during the shoot. As usual, see Dena in the clubhouse.

Shoot off ammo will be available to those who need it at the shoot and can be purchased at that time.

All ammunition orders are to go through Jerry King (email only please for record keeping)

kingme100@att.net

Jerry will confirm your order and send an email confirmation.
