NSSA rules will be followed. It is the SHOOTERS sole responsibility to ensure that their classifications are accurate during registration. Each shooter will receive a printout of their classes and events entered when registration is completed. Changes or errors must be brought to the attention of the shoot management at the time of registration. Any improperly classed shooter forfeits all awards and money winnings for that event. HOA/HAA classification cannot be lower than the shooters lowest gun classification.

## Shoot-Off Policy

All shoot-offs will be doubles at stations 3, 4, & 5, miss and out by station. Concurrent events will be shot-off concurrently if possible. Team events will be shot-off separately. Shoot-offs will be announced with a five-minute call. Any shooter missing his or her shoot-off is considered a "No-Show" and forfeits any winnings.
