John Soares - Hans Drape

Shooting Clinic

Let us - Teach you how to lose "Gracefully"

We have a combined 37 years experience of losing and looking good while losing!

Before

Put our 3 Step Program to work for you.

Step I: Classroom with Hans

Lose & Look Bad

Attitude - Clothing and Equipment
You Must Look Good!

Step II: Actual Shooting with the "Wavy Haired John"
He will show you how he "sails" over the top of "high two" and no one ever knows except the referee.

Step II: Photo Session afterwards with John & Hans

After

Lose & Look Good

Call **1-800 LOSEBIG** for our schedule and modest prices.

"We'll do everything possible in our Clinic to bring you down to our level."

And remember - We're not only teaching the course, We're Graduates!

**Best of luck to all shooting this year's
Massachusetts State Shoot!**

Smoke 'em all!!!

Remember:

- Check your safeties and barrel selectors
- Don't forget to load two for the doubles
- Be sure to notify your referee if you are using a release trigger

*Best regards,
John Dyson*

**MSSA shooters, please remember
Jerry Durand, Elliott Farley and
George Haywood who
championed youth shooting in
Massachusetts by Donating to:**

**THE DURAND-FARLEY-HAYWOOD FUND
Massachusetts Youth Skeet Shooters**

In past years the Massachusetts Skeet Shooting Association helped with the expenses for some of our young shooters to take part at the Junior World Skeet Shooting Championships.

In the future, we hope it will be one of your children or grandchildren who will have the opportunity to enjoy the game of skeet and all that it has to offer the youth of Massachusetts.

We ask that you make a donation to the Durand-Farley Fund here at the State Shoot, to help support the youth shooters of the future.

Thank you
