Everyone's 12 ga targets will be registered with NSSA in your class for honors. Likewise, the 50 doubles will be registered. Ties will be determined by long run, only perfect scores in both events will be shot off.

**Award scores:** will be determined by multiplying the number of 12ga targets broke by the % of doubles targets broke. Example: Joe breaks 47 12ga targets and 84% of his doubles.  $47 \times .84 = 39.48$  (Award score).
