## How is my Buckle Class Determined?

In 2018 the shoot program will remain the same but we are trying something different with the Buckle Classes. We will still use the modified Lewis class system to determine your class, however the criteria has changed slightly.

You will not receive a Buckle class until the completion of Buckle race #3. To be eligible for Buckles you must participate in at least two of the first three Buckle Race events and two more in addition to that. Your two highest scores out of the first three Buckle Races will be used to calculate your class. The first two events that are used to calculate your class will both be included in your final score for buckles.

In the interest of fair play GHGC reserves the right to classify shooters based on known ability if needed.

The 2018 GHGC Buckle Race series is partnering up with Legacy Ford to enhance your shooting experience and offer some fantastic benefits from Legacy Ford.

The Legacy Ford Power-Ups are sure to make the Buckle Series more interesting than ever. For each event at every Buckle Race the Power-Ups will double the HOA Prize. Plus! At the end of the Buckle Series Legacy Ford is awarding a \$100 gift card to Sub-junior, Junior and Lady 1st place in all categories. The gift cards can be redeemed at the 2019 Buckle Race for entry fees.
